EXPERIENCE

Java Full Stack Intern at Linkcode Technologies | Java Servlet-JSP, Oracle   **Aug 2021 - Sept 2021**

- Created an enterprise-level banking app with logins, money transfers, and phone top-ups. Users liked it a lot, giving it 4.5 stars for being easy to use and quick to respond.
- Used an agile process for the internship project, reducing project completion time by 20 percent and a 15 percent growth in overall team productivity.

Web Developer Intern at LetsGrowMore | HTML, CSS, JS and PHP-MySQL   **Sept 2021 - Oct 2021**

- Completed a 1-month Project-based Virtual Internship at LetsGrowMore Organization.
- Led the development of a static website and a Student Result Management System using PHP-MySQL, following a structured SDLC framework, resulting in a 20 percent decrease in error rates and a 15 percent increase in system reliability.

PROJECTS

Savetime- Banking Web App ⧉ | Java Servlets-JSP and Oracle   **Jun 2021**

- Engineered an MVC-based banking application, optimizing operations, managing accounts, and processing transactions, boosting the efficiency by 40 percent.
- Designed features for deposits, withdrawals, phone credit purchases, and transaction history in the project, driving a 25 percent rise in user transactions and satisfaction.

Grocery Management System ⧉ | Python   **Mar 2022**

- Produced a voice-enabled system using Tkinter, reducing grocery shopping time by 25 percent and increasing organization and tracking accuracy by 30 percent.
- Automating billing processes, and implementing real-time inventory management for cart items
- These functionalities resulted in a 30 percent upswing in user engagement.

Personal Portfolio Website ⧉ | HTML, CSS, JavaScript, React JS   **Jul 2023**

- Highlighting my journey in the tech world, effectively showcasing my professional story and garnering 100+ views within the first month.
- Strengthened online resume with sections covering education, work, projects, achievements, contact info, etc., yielding a 30 percent uptick in interview callbacks.
